Discipline Policy

Go Tell It Learning Center (GTI) uses demerit system as the basis for its disciplinary action and policy. It is impossible to teach and learn in chaos. Hence, it is imperative that GTI students abide by the academy rules and regulations. We expect all parents to support the schools discipline policy. It is very important that students understand that th teacher is the authority figure in the classroom, as you are in your home.

The Demerit Point System functions as follows:

A total of 100 demerits or points can be accumulated during the entire year. If a student reaches 100 demerits before the end of the year is over he/she will be expelled from GTI, and the parent is obligated to full-fill his/her tuition until the end of that year.

Demerit points chart:
